### LONE MOUNTAIN ARTISTS

Presents an exhibit: "*Visions of Nature*"

**April 5 – June 1**

The Nature Museum at Grafton Vermont  
186 Townsend Rd., Grafton, VT

*Lone Mountain Artists* presents a collection of paintings, drawings and photographs of the New England landscape, its plants and animals. Using a variety of media, each artist captures a unique interpretation of the area they live in.

Through this exhibit the artists hope to promote awareness and appreciation of the natural beauty and fragility of our remarkable New England environment.

*Lone Mountain Artists* will donate a percentage of each sale to The Nature Museum to help in continuing their efforts to "inspire respect, understanding and delight in the natural world."
